## French for Grades 3-8 **L'Art de LIRE**

Hundreds of children have enjoyed a fun, gentle introduction to the French language with L'ART DE LIRE French Program. A series of stories introduces children to the new sounds of French, teaching them to read sound by sound.

There are **six levels** of L'ART DE LIRE, with a separate **Homeschool Package** offered at each level. These levels cover most of the grammar taught in grades 4 to 8 in Ontario Core French.

### **The Homeschool Package (HP)** contains:

- one student workbook with tests
- teacher workbook with answers
- child-sized flashcards
- audio CD or mp3 files

Designed for ease of use, L'ART DE LIRE is suited for home or classroom education. There is a handy French-English glossary in each workbook, along with fun activities to enhance the learning experience. New concepts are presented in a logical sequence and reviewed thoroughly.
